

ELIGIBILITY FACTSHEET

Submission of Documents

The online application for the Eligibility Assessment requires you to upload scanned copies of your original documents. You do not need to supply these to us in hard copy format.

Upload requirements

In order for us to accept your documents, your uploads will need to meet the following requirements:

- Be a colour copy of the original document at 300 dpi resolution (or more). Scans of photocopies or certified copies will not be accepted
- Include all edges and corners
- Have all text be readable
- Have visible security features (such as the issuing authority's official stamp, seal, signatures, hologram etc.)
- Be in .pdf format

Your assessment will be delayed if:

- Your uploads do not meet the above requirements
- You do not upload the required documents

What if my documents aren't in English?

If your supporting documents are written in a language other than English, you will need to upload:

- All supporting documents in the original language; and
- Official translated version of all documents including headers, footers, stamps, signatures, and seals. Partial or extracted translations are not accepted.

The Council reserves the right to request applicants to provide translations completed by a translator accredited by the National Accreditation Authority for Translators and Interpreters (NAATI).

What if there are issues with my documents?

If there are any problems with any of your uploaded documents, we will be in touch by email to let you know and will provide instructions for how to resolve this.

What Do I Need to Provide?

1. Passport photo identity page

One scanned copy of your original passport photo identity page

2. Change of Name

One scanned copy of your original evidence of change of name (if the name on your passport is different to that on any of your other documents)

3. Degree certificate

One scanned copy of your original degree certificate for your entry-level physiotherapy qualification.

This must be the official certificate awarded to you upon completion of your program, and would normally be expected to include various security features e.g. official university stamp, seal, signatures, hologram etc.

4. Statement of Results

One scanned copy of your original official statement of results for your entry-level physiotherapy qualification. This must include:

- A list of each individual subject in your entire physiotherapy course; and
- The grade or result you were awarded for each subject

This must be the official statement of results awarded to you upon completion of your program and would normally be expected to include various security features e.g. official university stamp, seal, signatures, hologram etc.

5. Evidence to Practice

One scanned copy of your most recent original registration certificate OR original evidence to practice without restriction in your country of training (if there is no registration/regulatory authority)

OR

If you are a FLYR Pathway candidate:

- One scanned copy of original evidence of registration without restriction within the past 5 years with the relevant regulatory body

OR

If you completed your qualification in India:

- One scanned copy of your original Certificate of Life Membership with the Indian Association of Physiotherapists (IAP)
